The following items must be submitted before your application will be considered:

1. **Your driving record for the 3-year period from DMV:**
2. **A medical examiner's certificate**, from a medical examiner, that bears the statement "**Medically unqualified unless accompanied by a Federal/State Vision Exemption**".
  - a. You **must have been examined by an ophthalmologist or an optometrist** in the last 3 months. The documentation required is a signed statement on letterhead by the ophthalmologist or optometrist which:
    - i. Identifies and defines the nature of the vision deficiency, including how long you have had the deficiency;
    - ii. States the date of examination;
    - iii. Certifies that the visual deficiency is stable;
    - iv. Identifies the visual acuity of each eye, corrected and uncorrected;
    - v. Certifies that in the opinion of the medical provider, you have sufficient vision to perform the driving tasks required to operate a **commercial vehicle**.

Mail or deliver all required items to the address below or fax to: (907) 365-1220

**Division of Measurement Standards and Commercial Vehicle Enforcement  
11900 Industry Way, Building M  
Anchorage, AK 99515-3592**

Upon receipt of current and complete information, an evaluation for an exemption from the state vision standard will be conducted, and you will be notified of the results. If you do not provide this information, your application will be returned for the additional items. An exemption may be issued for a maximum of 1 year, but may be renewed at the discretion of the MS&CVE.

Any exemption issued in response to your application is valid for operations only within Alaska. It does not exempt you from the physical qualifications from any bordering jurisdiction.
