# Submitting Single Audits

## Where to Send Audits

Centralized Collection of Audits: The division of finance provides the service of collecting and reviewing audits required from grantees. This includes **state single audits** for state financial assistance and **federal single audits** for recipients of federal pass-through assistance distributed by a state agency.

**Email Audit Packages to:** single.audit@alaska.gov

For dual certification purposes, the auditee must email in the audit package and copy the CPA firm. The audit firm should respond to the email confirming the report attached is the final agreed-upon version. No response will be considered concurrence. Audits will also be accepted if received directly from the CPA firm, if the auditee is copied on the email.

## What to Submit for a Complete Reporting Package

Be sure to include the audited financial statements and all applicable items of a complete reporting package as described in the State Single Audit Guide.
