

INFORMATION FOR EMPLOYEES BEING LAID OFF LABOR TRADES AND CRAFTS UNIT (LTC)

In anticipation of questions you may have as you face layoff, the following information is provided. If you have other questions or concerns, please refer to the appropriate contact listed below.

GENERAL INFORMATION

Upon layoff, your name will be placed on the layoff list for your permanent duty station. Recalls are made in order of duty station seniority from among those employees laid-off in the same job classification. At such time you are offered a position, you must respond within:

- Fourteen (14) calendar days if you reside outside Alaska; or
- Ten (10) calendar days if you reside within Alaska.

If you do not respond to a written offer of recall within the prescribed time period, you will be removed from layoff for failure to accept a recall offer. It is for this reason you need to keep the Department of Administration, Division of Personnel informed of your current address. If your address changes during your layoff period, use the "Address Authorization/Change Form" found on the HR forms page to provide notification: doa.alaska.gov/dop/docpool/pdf/stdforms/AddressAuthorization.pdf.

You will have layoff rights for a three (3) year period from your date of layoff, **unless**:

- You resign from state service;
- You fail to accept a recall offer unless unique and unusual circumstances exist;
- You fail to return from a leave of absence on the agreed date unless approval has been obtained from the employer;
- You accept a job at a different duty station; or
- You are discharged in accordance with Article 8 of the collective bargaining agreement.

If you are not recalled to employment with the state before the expiration of the three (3) year layoff period, you will be considered to have terminated without prejudice.

PERS/SBS/DEFERRED COMPENSATION

Any contributions you have in the Public Employees Retirement System (PERS), Supplemental Benefits System Annuity Plan (SBS-AP) and the Deferred Compensation Plan will remain on account unless you take action to withdraw funds or collect a benefit. Prior to making the decision to withdraw funds or collect a benefit, you are strongly encouraged to consult with a Retirement & Benefits Counselor to ensure you understand the impact of your decision. You may schedule an appointment with a Retirement & Benefits Counselor by calling (907) 465-4460 or scheduling an [online appointment](http://drb.alaska.gov/contact/counseling.html#teleconference) at drb.alaska.gov/contact/counseling.html#teleconference.
